

AP 7230-4 Confidential Employees – Leaves

- 1.0 **Sick Leave:** Confidential employees will be granted sick leave with pay. Whenever a confidential employee is absent from duty because of illness, injury, pregnancy disability, or quarantine, which prevents the confidential employee from performing the duties of the employee's job, the employee shall receive sick leave pay in accordance with the provisions of this section. In addition, a confidential employee may use regular sick leave when absent from duty because of a scheduled medical or dental appointment.
- 1.1 Regular (Full Pay) Sick Leave: Confidential employees who are employed full-time (100%) shall accrue regular sick leave at the rate of eight (8) hours (1 day) for each full calendar month worked during the fiscal year. Confidential employees who are employed less than full-time shall accrue a proportionate share of regular sick leave, prorated by the percentage of employment.
- 1.1.1 New confidential employees of the District accrue sick leave from the first (1st) day of the month in which employed, provided their employment commences on or before the fifteenth (15th) day of the month. If employment commences on or after the sixteenth (16th) day of the month, sick leave is accrued from the first (1st) day of the following month. Where a confidential employee terminates employment with the District, sick leave will be accrued to the end of the month, provided the employee's last day of employment is on or after the fifteenth (15th) day of the month.
- 1.1.2 On the date of employment, and at the beginning of each fiscal year thereafter, the full amount of regular sick leave that would be earned by the confidential employee for the fiscal year shall be credited in advance.
- 1.1.3 A confidential employee must be in paid status to earn regular sick leave. Regular sick leave not used in any fiscal year shall be accumulated from year to year as provided by law.
- 1.1.4 In the event employment with the District is terminated, if a confidential employee has taken unearned sick leave in advance, the amount of the payment for the sick leave taken will be deducted from the employee's final paycheck. Unused sick leave will not be compensated.
- 1.1.5 Transfer of Accumulated Sick Leave: A person who accepts employment in the District as a confidential employee within one year of termination of employment in another California community college district or school district where the person was employed as a classified employee, for a period of one calendar year or more, shall be entitled to have transferred to the District the total amount of the employee's earned and accumulated regular sick leave from the prior district, provided the termination from the prior district was not initiated for cause.
- 1.2 Supplemental (Half Pay) Sick Leave: In addition to regular sick leave, confidential employees shall be granted non-accumulative supplemental sick leave at half pay during the fiscal year as follows:

 - 1.2.3 Supplemental sick leave may not be used until all regular sick leave has been exhausted. The confidential employee may elect to augment supplemental sick leave with any compensatory time to which the employee is entitled, in order to provide a full day's salary. Upon exhaustion of all compensatory time, or if the confidential employee does not have any accrued compensatory time, the employee may use earned vacation in conjunction with supplemental sick leave in order to receive a full day's salary.
- 1.3 Reporting and Verification of Sick Leave

 - 1.3.2 The District reserves the right to investigate any claim for sick leave and/or require the confidential employee to furnish a statement signed by a licensed physician verifying the illness. A medical statement shall be required when a confidential employee is absent for longer than five (5) consecutive working days, and shall certify that the employee is medically able to return to duty.
- 1.4 Exhaustion of Sick Leave: When all regular and supplemental sick leave has been exhausted and the confidential employee is not able to resume the duties of the position due to illness, the employee may elect to resign or to request a leave of absence without pay.
- 1.4.1 If, after exhaustion of all regular and supplemental sick leave and at the conclusion of any subsequently authorized unpaid leave of absence, the confidential employee is not medically able to assume the duties of the position, the employee shall be placed on a reemployment list for a period of thirty-nine (39) months.
 - 1.4.2 When available, during the 39-month period, the confidential employee will be offered reemployment in a vacant position in the class of the employee's previous assignment, on the basis of seniority, over all other qualified and available candidates except for confidential employees on a reemployment list established because of lack of work or lack of funds.

 - 3.3 A confidential employee who is absent on family illness leave for more than five (5) consecutive working days shall provide the District with a medical statement signed by a licensed physician verifying the family member's illness. The District reserves the right to request substantiation of any claim for family illness leave.
- 4.0 **Industrial Accident and Illness Leave**
 - 4.1 "Industrial accident or illness" as used in this section is defined as any accident or illness arising directly out of, or during the course of, employment with the District, which necessitates a confidential employee's absence from work. - 4.4 An absence resulting from an industrial accident or illness, which has been duly reported by the confidential employee, supported by medical verification, and approved by the District and/or its administering agency as qualified for Worker's Compensation is an absence payable under industrial illness and accident leave.
 - 4.4.1 During the period of determination by the District and/or its administering agency, the payroll charge for the absence will be made to the confidential employee's sick leave account. If the claim is approved, an adjustment will then be made, restoring to the employee the sick leave previously charged from the first (1st) day of absence and a charge made in lieu thereof to industrial accident and illness leave.
 - 4.4.2 In the event the confidential employee does not have sick leave credit, appropriate payroll deductions will be made. If the claim is approved, reimbursement will then be made on the next available payroll.
 - 4.4.3 Industrial illness and accident leave will commence on the first (1st) day of authorized absence. The amount of allowable leave shall be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under Worker's Compensation.
