

Policy on the Use of Regroup

Purpose

The purpose of this document is to provide define the appropriate use of Regroup at the North Orange County Community College District.

Policy

The use of the Regroup communications system shall be for the following purposes:

- Emergency communications to staff and students;
- Official campus or District business

Authority

Determination of the appropriateness of the messages to be sent using Regroup are determined by the Campus Director of Communications or the District Director of Public and Governmental Affairs.

Review

The Technology Coordinating Council will annually review these guidelines for currency and effectiveness.
