

How does my work support federal, state, and local initiatives?

Student Support Data

Information about educational goals (SS01), course of study (SS02, SS12), and progress toward meeting these goals is critical for providing targeted support for students to achieve their individual goals.

Guided Pathways

SS01 (Ed Goal) helps determine the student's primary journey type, the relevant support needed, and outcomes achieved on that journey:

- Adult Education/English as a Second Language Students
- Short-Term Career Students
- Degree/Transfer Students
- Undecided/Other Students
