

## NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT AGENDA OF REGULAR MEETING OF THE BOARD OF TRUSTEES

**MEETING: Regular Meeting in March 2018** 

DATE: Tuesday, March 13, 2018, at 5:30 p.m.

PLACE: Anaheim Campus Board Room 1830 W. Romneya Drive, Anaheim, CA 92801

Welcome to this meeting of the North Orange County Community College District Board of Trustees. If you wish to address the Board, please complete a yellow card entitled, "Request to Address Board of Trustees" and submit it to the Board's Recording Secretary. These cards are available at the podium outside the Board Room.

Members of the public may address the Board regarding items on the agenda as these items are taken up by the Board, according to the rules of the Board. Members of the public wishing to address matters not on the agenda will be invited to do so under "Comments: Members of the Audience" at the beginning of the meeting. The Board reserves the right to change the order of the agenda items as the need arises.

## AGENDA:

- 1. a. Pledge of Allegiance to the Flag
  - b. Board of Trustees Roll Call
  - c. **Comments: Members of the Audience**: Members of the public may address the Board regarding items on the Agenda as such items are taken up, subject to regulations of the Board. All Board meetings, excluding closed sessions, shall be electronically recorded.
  - d. Consider Non-Personnel block-vote items indicated by [] in Sections 4 & 5
  - e. Consider Personnel block-vote items indicated by [] in Section 6

Agenda items designated as block-vote items with [] are considered by the Board of Trustees to either be routine or sufficiently supported by back-up information so that additional discussion is not required. Therefore, there will be no separate discussion on these items before the Board votes on them. Block vote items will be enacted by one motion.

An exception to this procedure may occur if a Board member requests a specific item be removed from block-vote consideration for separate discussion and a separate vote. Members of the public completing a card entitled, "Request to Address Board of Trustees" on an item removed from block-vote consideration will be heard prior to the Board's vote on that item.

Public records related to the public session agenda, that are distributed to the Board of Trustees less than 72 hours before a regular meeting, may be inspected by the public at the Chancellor's Office, 1830 W. Romneya Drive, Anaheim, CA 92801, during regular business hours (8:00 a.m. to 5:00 p.m.).

**SUBJECT**: 2017-2018 Budget Transfers: General Fund, Bond Building Fund, and Capital Outlay Fund

**BACKGROUND**: While all areas attempt to project their expenditures accurately, situations occur which require transfers to be made. Many times an amount is budgeted for a project but the specific areas of expenditures are not determined until a later date. In this case, the funds are then transferred to the specific accounts.

The attached transfers have been requested and only represent those that affect a contingency account, exceed \$10,000 and/or establish new revenue and expense budgets. In each case, a brief explanation is stated. Additional information will be provided upon request. Pursuant to the California Code of Regulations Title 5, §58307, transfers of funds may be made from reserve for contingencies to any expenditure classification or between expenditure classifications at any time by written resolution of the Board of Trustees. In addition, a resolution providing for the transfer from reserve for contingencies to any expenditure classification must be approved by a two-thirds vote of the members of the Board of Trustees. This agenda item was submitted by Kashmira Vyas, District Director, Fiscal Affairs.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy**: This agenda item is submitted in accordance with Board Policy 6250, Budget Management.

**FUNDING SOURCE AND FINANCIAL IMPACT**: Budget transfers will be made to the various funds and accounts, as listed.

**RECOMMENDATION**: Authorization is requested for the 2017-2018 General Fund, Bond Building Fund, and Capital Outlay Fund transfers netting to the amount of \$1,756,696 and adoption of the resolutions showing the summary, pursuant to the California Code of Regulations, Title 5, §58307.

**SUBJECT**: Approval of Relocatable Modular Building Purchase for Cypress College using Garden Grove Unified School District Piggyback Bid

**BACKGROUND**: In response to learning that the existing baseball building at Cypress College had not been approved or certified by the Department of State Architects (DSA), corrective measures are being taken. The building was originally used as a storage garage by the grounds department. The building has since been modified and used as a locker room, faculty offices and team club house for the Physical Education Department.

In order to correct the unsafe condition of the building and comply with DSA, Cypress College hired Westberg & White Architect to design an appropriate structure. A new building has been designed based on the needs and input from the faculty and management of the Physical Education Division.

The DSA-approved relocatable modular building from Sean Khan Consulting Company, Inc. (SKC) meets the need of the program and can be purchased through the Garden Grove Unified School District piggyback bid. Once the building purchase has been approved, the architect will complete the foundation and infrastructure documents for DSA approval. The demolition of the baseball building and foundation infrastructure work for a new building will be bid out. A relocatable structure is being used to enable the move of the building in the future as Cypress College works towards alignment with the Educational Master Plan and the Facilities Master Plan.

Under Public Contract Code §20652, the governing board of any community college district, without advertising for bids, and when that Board has determined that it is in the best interest of the District, may authorize by contract to purchase materials and equipment utilizing piggyback contracts. Utilizing piggyback contracts is considered a best practice for public agencies to reduce the cost of procurement. Cypress College would like to utilize the Piggyback Bid No. 1512, Districtwide Rental and/or Purchase of Relocatable Modular Buildings from Garden Grove Unified School District to purchase a relocatable modular building with SKC in the amount of \$495,180 plus tax.

This item is submitted by Albert Miranda, Director of Physical Plant/Facilities and Jenney Ho, District Director, Purchasing.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning

activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy**: This item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse, and Board Policy 6340, Contracts.

**FUNDING SOURCE AND FINANCIAL IMPACT**: The cost of the building will be charged to the Capital Outlay fund.

**RECOMMENDATION**: Authorization is requested that the Board of Trustees approve the purchase of the approved DSA relocatable modular building from SKC through the Piggyback Bid No. 1512, Districtwide Rental and/or Purchase of Relocatable Modular Buildings from Garden Grove Unified School District in the amount of \$495,180 plus tax. Authorization is further requested for the Vice Chancellor, Finance & Facilities or District Director, Purchasing, to issue a purchase order on behalf of the District.

**SUBJECT**: Lease Proposal for Chapman Avenue Parking Lot for Off-site Parking

**BACKGROUND**: The list of bond-funded projects includes a new parking structure, which will result in a net increase in parking spaces on the Fullerton College campus. Originally planned as one of the first projects, State funding for the 300/500 building renovations impacted project sequencing. Instead, the new instructional building will be built first, not only to accommodate future growth, but to eliminate or reduce the cost of temporary swing space needed while the 300/500 buildings are renovated. A chiller plant expansion is necessary since the existing chiller plant does not have the capacity to cool the new instructional building. Both the instructional building and chiller plant will be built on existing parking lots, eliminating parking spaces. Construction of the new parking structure will begin after the 300/500 building renovations. To help compensate for parking spaces lost due to the construction of the instructional building and chiller plant, the college has identified a parking lot offsite that is available for lease. Shuttle services will be provided at the beginning of each semester. Shuttle travel time will be minimal since the lot is less than a mile from campus. This item was submitted by Rodrigo Garcia, Vice President of Administrative Services at Fullerton College.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy**: This item is submitted in accordance with Board Policy 6500, Property Management.

**FUNDING SOURCE AND FINANCIAL IMPACT**: The funding source is derived from rental property income.

**RECOMMENDATION**: Authorization is requested to enter into a lease agreement with Hill Ranch Partnership, a California General Partnership for Chapman Avenue Lot off-site parking. The lease term will begin on April 1, 2018 and will be eighty-three (83) months with an end date of February 28, 2025, at a monthly rate of \$9,650 per month, which shall be increased on the anniversary date of the Lease Term by an amount equal to two percent (2.00%) over the preceding year's rental rate or an amount equal to the Consumer Price Index for the Los Angeles/Long Beach/Orange County area, whichever is greater. In addition, a security deposit equal to \$12,000, none of which shall be applied to any rent owed to landlord at any time during the lease term, is required. The District has an early termination option commencing on

the thirty-seventh (37<sup>th</sup>) month. Should the District elect to terminate the lease early, the District shall pay the unamortized incremental amount of all District improvements, costs and commissions. **SUBJECT**: Award Bid #1718-18, Cypress College Parking Lot 5 Expansion

**BACKGROUND**: During the month of December 2018, Cypress College plans to begin construction of the new Science Engineering and Math (SEM) Building. The placement of the new SEM building will displace approximately 200 parking spaces from parking lot #7. The Campus Master Plan had identified future expansion of parking in the lawn area east of Gym II next to parking lot #5. This parking lot expansion needs to be completed before the construction of the SEM building in order to minimize the impact from the reduction of parking spaces. The Parking Lot 5 Expansion Project will provide an additional185 spaces for a total of 385 parking lot spaces.

The bid was publicly advertised and on February 27, 2018, the District Purchasing Department received four bids for the Cypress College Parking Lot 5 Expansion Project. The lowest responsive and responsible bidder was JMI General Engineering Contractor in the amount of \$1,558,779. The \$125,000 Allowance will be used to cover any unforeseen condition that could impact the project schedule. The process for approval of allowance will be the same process used for the approval of any change orders. The allowance allows for an expedited approval that would minimize delays and keep the project on schedule. Any unused allowance will be brought back to the Board for an approval of contract amount reduced.

Below is the bid summary.

COMPANY	Base Bid	Allowance	Total
JMI General Engineering Contractor	\$1,558,779.00	\$125,000.00	\$1,683,779.00

**SUBJECT**: Innovative Performance Solutions, Inc. Increase in Purchase Order for 2017-2018

**BACKGROUND**: Innovative Performance Solutions, Inc. (IPS) was retained by the Office of Human Resources to assist with the design, implementation and processes needed for several HR technology initiatives, including position management, onboarding, learning management systems and performance evaluation modules. Principal Nicola Perry serves as liaison and coordinator for HR and other District Services departments, software/ technology vendors, and Ellucian/Banner, in the development of business process changes, software acquisition, design and implementation, and training for staff. As example of a significant project that required additional time is the Online Time and Attendance program, built for student and hourly workers. This project included Finance, Payroll, IS and HR; and included multiple campus and end-user visits to build a responsive and accurate system that met the needs of the campus communities.

In addition to these HR based projects, IPS is assisting the Chancellor's Office and Office of Educational Services and Technology in business process and other projects. Vice Chancellor Dr. Li-Bugg and Chancellor Marshall have asked Nicola Perry to provide business process analysis (BPA) services regarding the NOCCCD new student onboarding, technology-based solutions to student onboarding and assistance with various Guided Pathways initiatives. Student Engagement at all three institutions in the District is being explored via the use of a single mobile application created with three distinct instances to accommodate the unique Cypress, Fullerton and NOCE student populations.

The hourly rate is \$65.00 per hour and the approved contract is from July 1, 2017 to June 30, 2018. The original blanket purchase order was for \$80,000, but additional time spent on other projects increased expenditures so that an increase of \$50,000 to the purchase order is needed to complete the fiscal year as projected. The total amount of the contract is \$130,000.

This agenda item was submitted by Irma Ramos, Vice Chancellor of Human Resources.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses. With a focus on objective 1.2, initiatives that IPS is currently charged with are expected to utilize new technologies to assemble and coordinate information about curricular offerings in an attempt to increase student success.

SUBJECT: Cypress College Curriculum Matters

**BACKGROUND**: The divisions and the Curriculum Committee at Cypress College and the District Curriculum Coordinating Committee have approved the attached summary of new curriculum and curriculum revisions.

The Educational Master Plan has indicated that "instructional programs need to be continually reviewed as to viability and priority" and the curriculum "needs to provide state-of-the-art training in vocational programs." The assessment process, mandated by the state, provides several reasons for the proposed curricular changes: (1) to meet changing employment requirements, as per the recommendations of both the faculty and advisory committees; (2) to expand and streamline certificate programs in keeping with state mandates; (3) to provide meaningful categorization of Faculty Service Areas; (4) to provide specific courses to meet student needs; (5) to restructure programmatic curricula; (6) to provide greater consistency between Cypress and Fullerton courses; and (7) to eliminate courses that either are no longer critical or that have been subsumed into other curricular offerings.

All curricula are submitted to the President's Office for review and approval prior to submission to the District Curriculum Coordinating Committee. This agenda item is submitted by Mark Majarian, Chair of the Cypress College Curriculum Committee.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses.

**How does this relate to Board Policy**: This item is in compliance with Board Policy 4020, Program and Curriculum Development.

FUNDING SOURCE AND FINANCIAL IMPACT: Campus General Fund.

**RECOMMENDATION**: It is recommended that the Board approve the attached summary of curriculum changes for Cypress College, to be effective Fall 2018. The curricula have been signed by the Campus Curriculum Chairperson and the College President, and have been approved by the District Curriculum Coordinating Committee.

**BACKGROUND**: Cypress College is pleased to report that it is the recipient of a Sponsorship through the Sector Navigator –Business and Entrepreneurship in the amount of \$7,500.00, for the performance period beginning January 24, 2018 (or upon Board of Trustees approval) and continuing through June 30, 2018, for Cypress College's Management/Marketing Program to conduct college enrichment programs related to Business and Entrepreneurship. We will be working with industry participants, community college peers, and Dual Enrollment students to develop and market startup ventures with proof of concept. Our faculty will work with current students' hard skills; refine soft skills essential for student success.

This agenda item is being submitted by Henry Hua, Dean of Business and CIS, Dr. Kathleen Troy, Management / Marketing Department Coordinator, and Jeannie Jo, Management / Marketing Faculty, Cypress College.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #1 and #5: Strategic Direction 1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses. Strategic Direction 5: The District will develop and sustain collaborative projects and partnerships with the community's educational institutions, civic organizations, and businesses.

**How does this relate to Board Policy**: This item is in compliance with Board Policy 3280 Grants. (1.0) The Board will be informed about all grants received by the District; and, (2.0) The Chancellor shall establish procedures to assure timely application and processing of grant applications and funds, and that the grants that are applied for directly support the purposes of the District.

**FUNDING SOURCE AND FINANCIAL IMPACT**: Cypress College is pleased to report that it is the recipient of a Sponsorship from the Sector Navigator – Business and Entrepreneurship in the amount of \$7,500. All funding will be received following Board approval and must be spent on program improvements for the above-referenced programs by June 30, 2018.

**RECOMMENDATION**: Authorization is requested to accept new revenue from the Sponsorship through the Sector Navigator – Business and Entrepreneurship in the amount

of \$7,500. It is also requested that a resolution be adopted to accept new revenue and authorize expenditures within the General Fund, pursuant to the California Code of Regulations Title 5, Section 58308. Further authorization is requested for the Vice Chancellor, Finance and Facilities, or the District Director, Fiscal Affairs, to execute any agreements and related documents and any amendments to modify the agreements on behalf of the District.

**BACKGROUND**: Revised 2017-2018 fiscal year allocations and amendments have been received for various federal- and state-funded programs. Based on these revised amounts, adjustments are needed to various General Fund, Capital Outlay Fund, and Financial Aid Fund revenue and expenditure budgets that were previously approved by the Board.

The General Fund programs requiring an adjustment are:

- Adult Ed & Family Literacy Act Grant (AEFLA)
- Basic Skills
- Board Financial Assistance Program (BFAP)
- California Work Opportunities and Responsibilities to Kids (CalWORKs)
- Cooperative Agencies Resources for Education (CARE)
- Disabled Student Programs and Services (DSPS)
- Dual Enrollment Sponsorship
- Emergency Preparedness Grant
- Extended Opportunities Programs and Services (EOPS)
- Instructional Equipment Funds
- Orange County Career Pathways Partnership (OCCPP)
- Perkins
- Strong Workforce Program (SWP) Local
- Student Equity Program
- Student Success & Support Program (SSSP)
- U-ACRE 3.0 Grant

The Capital Outlay Fund program requiring an adjustment is:

• Scheduled Maintenance Funds

The Financial Aid Fund programs requiring an adjustment are:

- Full-Time Student Success Grant (FTSSG)
- Community College (CC) Completion Grant

This agenda item was submitted by Kashmira Vyas, District Director, Fiscal Affairs.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities; and Direction #5: The District will develop and sustain collaborative projects and partnerships with the community's educational institutions, civic organizations, and businesses.

**How does this relate to Board Policy**: This agenda item is submitted in accordance with Board Policy 3280, Grants.

**FUNDING SOURCE AND FINANCIAL IMPACT**: Various programs have received revised 2017-2018 allocations and amendments since the adoption of the District Proposed Budget on September 12, 2017 or subsequent adoption of new agreements by the Board. Budget adjustments are being submitted to revise revenue and expenditure budgets accordingly for the 2017-2018 fiscal year.

**RECOMMENDATION**: Authorization is requested to make adjustments to General Fund, Capital Outlay Fund, and Financial Aid Fund revenue and expenditure budgets in accordance with the revised fiscal year 2017-2018 allocations. It is further requested that a resolution be adopted to adjust budgets and authorize expenditures within the General Fund, Capital Outlay Fund, and Financial Aid Fund pursuant to the California Code of Regulations Title 5, Section 58308. Authorization is further requested for the Vice Chancellor, Finance and Facilities, or the District Director, Fiscal Affairs, to execute any agreements and related documents and any amendments to modify the agreements on behalf of the District.

**SUBJECT**: Guided Pathways (GP) Multi Year Plan

**BACKGROUND**: California Community Colleges Guided Pathways is a multi-year state program designed to provide all California Community Colleges with the opportunity to implement Guided Pathways for the purpose of significantly improving student outcomes. To put it simply, Guided Pathways is a research-based approach that simplifies choices for students. Courses are grouped together to form clear paths through college and into careers, whether students enter those careers directly after graduation or transfer to a university for more study in their chosen fields. Students get intensive, targeted advising to choose a path, stay on the path, learn what they need to know and graduate.

At North Orange and across the state, Guided Pathways efforts are focused on helping more of our students - especially low-income, first-generation students and students of color - earn credentials to prepare them for entry into higher-paying, high-demand fields with value in the labor market.

The California Community College Guided Pathways Grant Program under the administration of the Chancellor's Office, is intended to ensure the following:

- Integration of existing student-success programs and services
- Building of capacity at community colleges for data analysis, leadership, planning, and implementation related to institutional change
- Development of clearly structured, coherent guided pathways programs for all entering students for purposes of improving student outcomes, reducing time to degree, increasing the ability of students to obtain high-paying jobs

The California state legislature allocated \$150 million over the five-year period (2017 to 2022) for the California Community Colleges to carry out this initiative. The requirements from the State Chancellor's Office for the colleges to receive this funding are:

- 1. Colleges must attend IEPI training on implementing guided pathways
- 2. Colleges must complete self-assessment prior to creating a Guided Pathways multiyear plan
- 3. Colleges must use the Guided Pathways funding to implement their multi-year plan

The Colleges and NOCE have attended trainings and will continue to attend trainings offered by the Chancellor's Office on this initiative. Much work has occurred on the campuses on GP, however. The Board had previously approved the GP self-assessments from the Colleges and NOCE. The Colleges and NOCE have been working on the multi-year plans and are near completion. However, to streamline the Board approval process, we are having the Colleges and NOCE submit a summary of their multi-year plans with the goal of submitting the full plans for Board approval at the March 27, 2018 meeting.

**How does this relate to the five District Strategic Directions?** This item responds to all five District Strategic Directions from student completion to reducing the achievement gap to student success in pathways to planning best practices to community partnerships.

**How does this relate to Board Policy**: This item is submitted in accordance with Board Policy 3250: Institutional Planning

**FUNDING SOURCE AND FINANCIAL IMPACT**: All institutions in the District will be allocated funding from the Guided Pathways Award program to implement their multi-year plans.

**RECOMMENDATION**: It is recommended that the Board receive as information Cypress College, Fullerton College and NOCE's summary of their guided pathways multi-year plan.

### Cypress College Guided Pathways Update

#### Overview of Our Early Work on Guided Pathways

Cypress College continues to work seriously towards becoming a Guided Pathways College. We began our work in the fall 2017 semester by forming five campus work groups to identify and prioritize the work we needed to accomplish, and facilitate campus discussion. We established a Guided Pathways blog, formed a Guided Pathways task force, attended the IEPI Guided Pathways Workshop in September, completed our self-assessment in December, and discussed our projects broadly at our management meetings, division meetings, and our Leadership Team meeting in November. At each point, we shared updates with the campus, solicited feedback on both the blog discussion board, and through campus surveys asked for feedback on our self-assessment. It has been exciting work and the campus has been very open to embracing innovation and change. Since that time, the college has attended a second IEPI workshop in February 2018, and is now proceeding rapidly to formulize our multi-year plan for the next 18 months.

#### Our Guided Pathways Multi-Year Plan

In January 2018, our task force prioritized our goals for the next 18 months. The Multi-Year Plan identified 14 areas that need to be fully implemented by 2023. Although we are doing work in all 14 areas now, the task force identified six critical areas to focus on for the next year: **1**) **Cross Functional Inquiry** –having broad discussions about data, student success outcomes, and strategies to improve student success. **2**) **Shared Metrics** – identifying key benchmarks and the data to inform "why" Guided Pathways is needed and how/if our students are succeeding. **5**) **Intersegmental Alignment** – building our pathways partnerships between K12 and our four-year institutions. **6**) **Guided Major and Career Exploration** – Identifying our Meta Majors, which is the cornerstone of our focus for the next year and a half. **8**) **Clear Program requirements** – clarifying course sequences, scheduling practices, and key milestones to help students progress and complete their academic goals. **9**) **Proactive and Integrated Student Support** –the support needed to ensure students stay on their identified path. The GP Plan has been posted on our GP webpage and a survey sent to the campus for feedback before completing and submitting to the state Chancellors Office.

#### Key Objectives For the Next 18 Months

- Pilot an app for a hand on approach with students and learning
- Define Guided Pathways at Cypress College and continue our broad discussions across campus.
- Identify Meta Major communities and build the support service network within each community ensuring all students can enter, stay, and complete their path.
- Create clear benchmarks using data to identify and measure student progress towards completion.
- Build upon our Pledge and Charger Experience model to expand our dual enrollment pathways and build supports around the transition from K12 to Cypress College.
- Build block schedules so students can "accept" their schedule, and align our scheduling practices across the campus.
- Expand the embedded counseling model in each meta major, assign academic advisors, and career coaches to each major, and utilize our app for reminder and alert systems to keep students on the path

Cypress College is confident the goals we have identified in our Multi-Year Plan will be met and scaling to progress in all areas, while we will also be building our capacity in the other areas.

### Fullerton College Guided Pathways Update

In September 2017, a team of faculty, staff and students attended a regional IEPI/Guided Pathways workshop in Irvine and the campus began work to complete the CCCCO Guided Pathways self-assessment. The Student Success Committee provided leadership on completing the self-assessment, and following President's Staff review, the draft was distributed to faculty and staff subject matter experts. The updated draft self-assessment was then shared with the entire campus community for feedback. Following a review of campus feedback, a final draft of the self-assessment was adopted, shared with our Board of Trustees and submitted to the CCCCO.

In January, the college featured Guided Pathways as the main theme of Spring Convocation, including the program in the theatre and subsequent breakout sessions. The focus of the breakout sessions was to engage faculty, staff and students in discussions and planning around developing our Guided Pathways plan. Over 200 campus constituents participated at the breakout sessions and the notes were compiled for future campus planning. Following convocation, a 19 member Guided Pathways workgroup was formed, consisting of faculty, staff and students. Eleven members of the workgroup attended a second IEPI/Guided Pathways workshop in early February. Following the workshop, our campus workgroup convened and began the work of developing our Guided Pathways year one plan. According to the CCCCO guidelines we've received, colleges are encouraged to select some of the key elements in the college self-assessment as the basis for the year one plan. Colleges are not being asked to develop a plan in year one that addresses each of the 14 key elements. For our year one plan, the college has decided to focus on seven key elements. The following paragraph provides examples from our plan for each element we are focusing on.

(1) Cross-Functional Inquiry – Data dashboards with Guided Pathways data will be created to inform discussions and decision-making. (2) Shared Metrics – An inventory of metrics used across campus will be compiled for a clear picture of the current metrics used by the campus. The college will identify and implement strategies for tracking data regularly across all initiatives. (4) Inclusive Decision-Making Structures – the college will establish a steering committee to oversee the creation of pathways and to manage the process by which input is sought from and communicated to the campus community. (5) Intersegmental Alignment – a Guided Pathways team will begin coordinating with our existing K-12 partners in alignment with our Anaheim Pledge and a Fullerton Partnership that is being developed. (6) Guided Major and Career Exploration Opportunities – Our plan for the next 12-18 months is to create a process to guide student entry into their likely pathway starting at our first point of contact – the student application. (7) Improved Basic Skills – Over the next 12-18 months the college plans to scale up successful basic skills models, included accelerated math and English courses. (9) Proactive and Integrated Academic and Student Supports – The college will create inclusive decision-making workgroups to address access for faculty to students' educational plans and access to information regarding students' progress by both instructional and student support plan.

In support of the Guided Pathways movement across our campus, faculty and staff hosted an inaugural Major Declaration Day on campus, where students learned about academic and career pathways and had the opportunity to choose their major. The final draft of our year one plan will be reviewed by our Guided Pathways workgroup on Tuesday, March 13, and then reviewed by President's Staff. We will post and share a copy of our draft year one plan for viewing by all faculty and staff as we prepare to submit the plan to District Services, to be included with the Board of Trustees agenda on March 27.

### **NOCE Guided Pathways Update**

NOCE is in the beginning stages of adopting the Guided Pathways initiative; however, our institution has embraced the notion of guided pathways long before the initiative's inception.

#### Several accomplishments have been identified as significant:

In the Guided Pathways Self-Assessment, the Provost's Cabinet identified several accomplishments to support the design of the NOCE Guided Pathways framework. Specifically, NOCE developed and adopted an integrated planning model for its Strategic Plan. NOCE drove the development of the Adult Education Regional Comprehensive Plan which focuses on guiding students to employment and further education. NOCE has practiced accessible and competency-based instructional delivery models for basic skills and English as a Second Language (ESL) as evidenced by the Learning Centers, Math Co-Lab, High School Diploma Program Labs, ESL multi-level courses, and the newest addition – IBEST courses.

#### Several areas to help shape NOCE pathways have been identified:

In the absence of dedicated Guided Pathways state funding for noncredit, NOCE needs to create an infrastructure to develop and sustain the Guided Pathways framework using a combination of several funding sources. This would entail an inclusive decision-making mechanism for strategic and big-picture planning tasks as well as ownership of specific action items by existing teams. NOCE needs to increase community and staff awareness of its educational programs leading to career options and link these programs to the credit colleges. Finally, NOCE needs to access state and national data repositories to track students' educational and career trajectories beyond NOCCCD.

#### Key strategies to begin the implementation of Guided Pathways have been selected:

On February 20, 2018, the Provost's Cabinet held a special planning session to finalize the NOCE Guided Pathways Plan for the first implementation year. Faculty and staff representing all NOCE departments were joined by two student leaders in developing the Guided Pathways strategies. First, the participants mapped an NOCE student journey and identified barriers at the key progression points. Next, the group chose the strategies to reduce the barriers. For the Guided Pathways-Year One, the team focused on the following key implementation strategies: Guided Major and Career Exploration, Clear Program Requirements, Integrated Technology Infrastructure, and Strategic Professional Development.

SUBJECT: Resolution Board of Trustees Excused Absence Action X Resolution X Information Enclosure(s) X

**BACKGROUND**: Pursuant to Board Policy 2725, Board Member Compensation, Board members may be paid for meetings when they are absent, if the Board adopts a Resolution verifying that the absence is excused.

Education Code Section 7425, Subdivision (c) reads as follows:

A member may be paid for any meeting when absent if the Board by resolution duly adopted and included in its minutes, finds that at that time of the meeting he or she is performing services outside of the meeting for the community college district, he or she was ill or on jury duty, or the absence was due to a hardship deemed acceptable by the board. This compensation shall be a charge against the funds of the district.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #4: The District will implement best practices related to planning, including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and district levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy**: This item is in accordance with Board Policy 2725, Board Member Compensation.

FUNDING SOURCE AND FINANCIAL IMPACT: Not applicable.

**RECOMMENDATION**: It is recommended that the Board adopt Resolution No. 17/18-12, Trustee Absence, verifying that Trustee Ed Lopez was absent on February 27, 2018 due to illness and, therefore, eligible to receive compensation for the Regular Board meeting held on that date. A signed affidavit from Mr. Lopez verifying his absence due to illness will be on file in the Chancellor's Office.

RESOLUTION OF THE BOARD OF TRUSTEES OF THE NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT

### Resolution 17/18-12, Trustee Absence

WHEREAS, Education Code Section 72425(c) states:

(c) A member may be paid for any meeting when absent if the board by resolution duly adopted and included in its minutes finds that at the time of the meeting he or she is performing services outside the meeting for the community college district, he or she was ill or on jury duty, or the absence was due to a hardship deemed acceptable by the board. This compensation shall be a charge against the funds of the district.

**NOW, THEREFORE, BE IT RESOLVED** that the Trustee named below was absent from the Regular Board meeting of February 27, 2018, due to illness, and therefore, eligible to receive compensation for the meeting held on that date.
