SUBJECT: Approve Change Orders for Trane For the Upgrade of the Energy Management System at the Anaheim Campus

Action	Х
Resolution	
Information	
Enclosure(s)	

BACKGROUND: On April 14, 2020, the Board approved Resolution No. 19/20-16 to issue a sole source contract to Trane to upgrade the Energy Management System at the Anaheim Campus in the amount of \$495,985, plus contingency in the amount of \$50,000. Trane commenced work on May 18, 2020. Staff is requesting approval to proceed with the following changes:

<u>Change Order No. 1</u>: Bond was not included on Trane's proposal and, therefore, not included on the contract amount. However, the District required that Performance/Payment Bond be provided by Trane. We are requesting approval to add the cost of the bond premium to the contract amount.

<u>Change Order No. 2</u>: Trane's Project Manager shared that they have found several inoperable CO2 sensors and recommended that they be replaced to ensure optimum performance of the HVAC system. Additionally, CO2 monitoring can ensure that acceptable levels of ventilation for the health and welfare of students and staff is maintained at all times. There are scientific studies that document that the lack of proper ventilation can impair performance and can increase the effective spread of viruses. With the unabated COVID 19 infections, this is a constant concern.

These sensors were not originally included in the equipment list that M&O staff provided to Trane to bid; hence, they were not included on Trane's contract to provide and install. At the time, staff wasn't aware of the sensors' condition and that their life cycle of 5-7 years had already long passed. Replacing these sensors with Trane sensors will ensure that they will properly communicate with the new building automation system. We are, therefore, requesting that the 72 existing sensors be replaced with Trane's wireless CO2 sensors. This additional work will add 10 days to Trane's contract term from 92 work days to 102 work days.

Board approval is requested to approve the following change orders totaling \$53,550, increasing Trane's contract amount from \$545,985 to \$599,535, and extending Trane's contract term by 10 days from 92 days to 102 days.

Original Contract Amount:	\$545,985.00
Change Order 1	2,000.00
Change Order 2	<u>51,550.00</u>
Revised Contract Amount	<u>\$599,535.00</u>

M&O staff is requesting that the following change orders be charged against the approved contingency of \$50,000:

Approved Contingency	\$50,000.00
Connect new SC+ control panel to owner supplied Ethernet port on Mezzanine and 7 th Floor.	(1,461.00)
Connect Trane SC+ to the new Weil Aquatronics Booster Pump control panel and connect Tracer SC+ to existing refrigerant monitor. Also, install Trane BACnet controllers at the fan coil units on 7th and 10 th Floor IDF Rooms.	(\$15,510.00)
Provide and install new BACnet licensing for three (3) existing JACE (Java Application Control Engine) devices in order for lighting and elevator controls to be passed to the Trane Building Automation System	<u>(\$4,798.00)</u>
Remaining Contingency	<u>\$28,231.00</u>

This agenda item was submitted by Richard Williams, District Director, Facilities Planning & Construction.

How does this relate to the five District Strategic Directions: This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse.

FUNDING SOURCE AND FINANCIAL IMPACT: Funding for the change orders totaling \$53,550 will come from Scheduled Maintenance.

RECOMMENDATION: Authorization is requested for the Board to approve Change Order Nos. 1 and 2 totaling \$53,550, increase Trane's contract amount from \$545,985 to \$599,535, and extend the contract term by 10 days from 92 work days to 102 work days. Authorization is further requested for the Vice Chancellor, Finance and Facilities, or his designee to execute the amendment to Trane's contract on behalf of the District.

SUBJECT: Citizens' Oversight Committee Appointments

BACKGROUND: Assembly Bill 1908 specifies procedures for appointing a Citizens' Oversight Committee which is responsible for informing the public concerning the expenditure of bond proceeds and actively reviewing and reporting on the proper expenditure of taxpayers' money for school construction.

At its June 9, 2020 meeting, the Board reviewed the application process and approved staff to advertise for committee memberships. During this time, one (1) business organization, one (1) senior citizen' organization, and one (1) community member would term out as of August 2020. However, the business organization category would be the only required classification that would be vacant per Proposition 39.

Advertisements were placed in the Orange County Register (print and web publications), sent to city councils, posted on the District website, and campus social media channels. As a result, the following three (3) individuals have expressed interest in serving on the committee:

- Keron Thomas Has expressed interest in serving as a Cypress College Student Organization. Keron is an active member of the Legacy/Umoja cohort. During his senior year in high school, he interned at Satori Law Group, gaining experience in estate planning and real estate law.
- Cassandra Perez Has expressed interest in serving as a Community Member. Casandra is a Fullerton College alumna and served as an Associated Student Senator. Her professional background includes, working for Congresswoman Loretta Sanchez during the U.S. Senate Campaign and working for Congressman Lou Correa, U.S. House of Representatives – 46th District.
- Beverly Falco Has expressed interest in serving as a Community Member. Beverly is a Fullerton College alumna and was an Ambassador for the College's Honors Program. She has also served on committees at Northeastern University School of Law and Chapman University. Beverly has Social Justice, Equity, and Diversity experience serving marginalized and under-served populations in both her personal and professional career.

Currently, Cypress College does not have a student representative and while the Committee has two active community members, both will be terming out in July 2021. For future planning purposes, it is recommended that all three applicants be appointed.

6.a.1

Staff will continue to solicit for a Business Organization representative until the position is filled.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

FUNDING SOURCE AND FINANCIAL IMPACT: There is no financial impact. All positions on the Citizens' Bond Oversight Committee are voluntary.

Providing for Women's Suffrage

BACKGROUND: The year 2020 marks the 100th anniversary of the passage of the 19th Amendment, guaranteeing and protecting women's constitutional right to vote. Today, more than 68 million women vote in elections because of the courageous suffragists who never gave up the fight for equality. In the words of feminist leader and women's rights activist Alice Paul, "I never doubted that equal rights was the right direction. Most reforms, most problems are complicated. But to me, there is nothing complicated about ordinary equality."

In accordance with its goals to promote equality and diversity within its practices, NOCCCD wishes to commemorate this milestone of democracy with the following Board of Trustees resolution.

The Board reviewed the resolution at its July 28, 2020 meeting and no revisions were suggested.

How does this relate to the five District Strategic Directions? SUBJECT: Use of Zoom Teleconference Functions During Remote Board Meetings

BACKGROUND: Since the outbreak of COVID-19 and the subsequent campus closures, Board meetings have been held via Zoom teleconference. Public comments are submitted in writing and read by a staff member during the public comment section of the meeting. Resource Table members have the option of giving their reports, just as during the face-toface meetings. Anyone who wishes to speak about an agenda item can use the "raise hand" function and they are called on by the Board President. A significant difference from inperson meetings is the presence of the "chat box" for making comments that normally would be made verbally rather than in writing and this has created a different dynamic during Board meetings.

According to AP 2345, Section 5.0, the Board of Trustees does not condone any defamatory accusations or complaints, including remarks which reflect adversely on the political, religious, or economic views, character, or motives of any person. Members of the audience bear the sole legal responsibility for any defamation actions that may be brought as a result of their comments or allegations.

According to AP 3050, Section 5.2, *employees of the District are expected to treat other members of the District and members of the public with courtesy, honesty, professionalism, and civility.*

The chat box comments have included positive comments among meeting participants, but concerns have also been expressed about some of the negative and accusatory comments. During the meeting, not all can see the comments being expressed in the chat box or the interactions among participants. It especially impacts those accessing the Board meeting via the YouTube livestream because they do not have the ability to view any of the written commentary. This change from in-person meetings is a less than ideal environment for interaction and transparency.

How does this relate to the five District Strategic Directions? Not applicable.

How does this relate to Board Policy: Not applicable.

FUNDING SOURCE AND FINANCIAL IMPACT: Not applicable.

RECOMMENDATION: It is recommended that the Board discuss how to best use the "raise hand" and "chat box" Zoom functions during remote Board meetings.

The complaint seeks an investigation into Trustee Bent's behavior and actions which they deem are in conflict with Board Policy 2715, Code of Ethics/Standards of Practice and the Accrediting Commission for Community and Junior Colleges (ACCJC) Accreditation Standards.

A Board member may be subject to a resolution of censure by the Board should it be determined that trustee misconduct has occurred. Censure is an official expression of disapproval passed by the Board.

According to BP 2715, Section 3.0, A complaint of trustee misconduct will be referred to an ad hoc committee composed of three trustees not subject to the complaint. In a manner deemed appropriate by the committee, a fact-finding process shall be initiated and completed within a reasonable period of time to determine the validity of the complaint. The committee shall be guided in its inquiry by the standards set forth in the Board's Code of Ethics as defined in policy. The trustee subject to the charge of misconduct shall not be precluded from presenting information to the committee. A. **Kim Orlijan**, Fullerton College Faculty, provided a statement to the Board where she highlighted a few former students who strengthened their understanding of issues like systemic racism during their time at Fullerton College. She noted that other former students, it seems, failed to learn about racism and the policies that continue to sustain racial inequities. She cautioned that if District leaders do not fully grasp that the roots of racism run deep in its own institution and that to be anti-racist means to recognize racist policies, and then to work towards dismantling them, then those District leaders

will not be able to help move us to be anti-racist institutions, and will instead be barriers and threats to those efforts.

- L. **Trustee Barbara Dunsheath** began her report by stating that formal comments regarding the memo received from the Board Resource Table would be shared during the agenda item regarding the Board Assessment Subcommittee.

Dr. Dunsheath reported on her participation in the "Black Minds Matter" weekly webinars by **Luke Woods**, the CCLC weekly webinars regarding COVID-19, and plans to attend the A2MEND anti-racism webinar. She encouraged everyone to read the current issue of the AACCC Rostrum which is about African-American and Black faculty and their voices, and also encouraged everyone to register to vote for the November election which is less than 100 days away and to complete the census. She shared that the Cypress College Foundation Scholarship Ceremony would take place virtually on September 10 to award over \$218,000 in scholarships, with their golf tournament on October 26, and the Americana Awards as a virtual ceremony.

M. Trustee Stephen T. Blount praised Vice Chancellor Fred Williams for developing the District Proposed Budget that was easy to understand when he shared it with others and Cypress College President JoAnna Schilling on the College's being named the best community college by the Long Beach Press Telegram.

Further authorization was granted for the Vice Chancellor, Finance and Facilities or District Director, Purchasing, to execute the agreement on behalf of the District.

Item 3.i: Trustee Jeffrey P. Brown inquired why the extension of the consultant agreement with Porter Consulting through September 2021 was necessary if plans include the hiring of a District Project Manager prior to that date who should be able to oversee the Cypress College SEM/VRC project once in place. He stated that while he could understand needing the consultant while the position is vacant, it did not make sense to hire someone permanently and still need the consultant.

District and Cypress College staff stated there is currently not enough staff at Cypress College to oversee the project and those on the horizon, that Porter Consulting has done a good job to date, and that they will also work to provide training and onboard the new hire. Noting the

30-day notice to cancel the contract, trustees suggested the possibility of receiving a Board report at the six-month mark to see if there is a need to continue with the contract.

It was moved by Trustee Barbara Dunsheath and seconded by Trustee Jacqueline Rodarte to retroactively extend the consultant agreement with Porter Consulting, LLC at an hourly rate of \$185 for project management services, effective July 1, 2020 through September 30, 2021, for an amount not to exceed \$474,601, and to include an update to the Board in six months. Should there be a further need for the consultant's services, the District and Porter Consulting, LLC (Parties) shall have the option to renew the agreement on a month-to-month basis. The Parties mutually understand that the agreement may be terminated by either party upon thirty (30) days' written notice.

Motion carried with Trustees Bent, Brown, Dunsheath, Lopez, and Rodarte voting yes, including Student Trustees Reyes and Plavdjian's advisory votes, and Trustee Blount voting no.

Further authorization was granted for the Vice Chancellor, Finance & Facilities, or District Director, Purchasing to execute the agreement on behalf of the District.

Item 3.j: Alex Porter, Fred Williams, and Michael Zari conducted a presentation outlining the status of the Science, Engineering and Math project and the Veteran's Resource Center, Student Activities Center, Tribute Garden/Memorial Bridge, and Pond Refurbishment at Cypress College. The presentation included a construction overview, timelines for the projects, and a financial update for each project that included cost summaries, a breakdown of the funding sources, soft costs, and use of contingency dollars to date. It was noted that an update to the Board is provided on a monthly basis and that due to COVID-19 there have been additional costs of \$700,000 to cover mandatory on-site testing when necessary to mitigate contamination.

Subsequent to the discussion, trustees thanked the presenters for the information and sharing the progress made to date.

(See Supplemental Minutes #1258 for a copy of the presentation.)

GENERAL

Item 6.a: It was moved by Trustee Barbara Dunsheath and seconded by Trustee Jacqueline Rodarte to adopt the NOCCCD Educational and Facilities Master Plan 2021-2030.

During the discussion, Trustee Ryan Bent stated his desire to have a long-term document that is non-partisan and uncontroversial, and recommended that two items that were added to the Diversity, Equity, Inclusion, and Anti-Racism chapter after the last presentation to the Board be removed. The items on page 74 included the Black Lives Matter image and the mention of George Floyd. In response, all remaining trustees and student trustees expressed their support for the document to remain unchanged in order to capture the historical moments that took place during the time it was prepared and approved.

Trustees also agreed to amend the language for the "Develop a Common Vocabulary for DEI&A Concepts and Components" bullet on page 79 to include "civilly and" in order for the statement to read, "A common vocabulary would allow students, faculty, staff, and administrators to converse civilly and easily on key concepts..." With that noted correction, the motion carried with Trustees Bent, Blount, Brown, Dunsheath, Lopez, and Rodarte voting yes, including Student Trustees Reyes and Plavdjian's advisory votes.

Item 6.b: It was moved by Trustee Stephen T. Blount and seconded by Trustee Jacqueline Rodarte to formally rescind the delegation of emergency authority originally granted to the Chancellor by Resolution No. 2019/20-17 to respond to COVID-19.

Subsequent to Chancellor Marshall stating that she had no reservations with the authority being rescinded, the motion carried with Trustees Bent, Blount, Brown, Dunsheath, Lopez, and Rodarte voting yes, including Student Trustees Reyes and Plavdjian's advisory votes.

Item 6.c: It was moved by Trustee Jeffrey P. Brown and seconded by Trustee Jacqueline Rodarte to adopt the following proposed, revised Board Policies:

- BP 3720, Computer and Electronic Communication Systems
- BP 3810, Claims Against the District

Subsequent to correcting a misspelling in Section 3.0 of BP 3810, the **motion carried with Trustees Bent, Blount, Brown, Dunsheath, Lopez, and Rodarte voting yes, including Student Trustees Reyes and Plavdjian's advisory votes.**

Once adopted by the Board of Trustees, the revised policies will be placed on the District's website, where they will be readily accessible by students, employees, and the general public.

Item 6.d: The Board received and reviewed the Board Assessment Subcommittee's review of the 2020 Board Assessment. Trustee Barbara Dunsheath –who served on the subcommittee along with Trustees Ryan Bent and Stephen T. Blount– read the following prepared comments that she submitted for the record to begin the discussion:

"First and foremost, I care deeply about community colleges and their role in democratic education, in particular, this district, NOCCCD. As a member of the Board of Trustees I hope to model various principals contained within my "Philosophy of Education Statement," specifically, life-long learning, ethical and moral action, critical questioning, embrace diversity, and the belief in innate goodness of all people. My personal beliefs align with district values of service, professionalism, respect and inclusiveness.

I have spent considerable time thinking through the best path forward for improving this board. While I understand that each board member brings a unique perspective, I quote Lincoln's first inaugural address as he pleaded for calm and cool deliberation to the better angels of our nature, for all board members to consider mindfully our actions and recognize that when we act, it is in part a reflection of all.

My thoughts are mine alone, however I fully recognize that any official action that needs to transpire must be the will of the board as a whole. Any action to censure a member must stem from the board as a whole, with the recognition that a formal complaint may be filed from anyone. (BP 2175 - 1.2 "Recognize that the Board acts as a whole.")

The Board evaluation was completed in May 2020 and does not reflect the changing social/political environment that has erupted following the murder of George Floyd, nor the turmoil exhibited at the June 9, 2020 and June 23, 2020 Board meetings and afterwards. I believe that the heightened national climate is influencing Board actions, as well district members' reactions.

On top of tumultuous national debates about race, our district is at impasse with United Faculty and that has further eroded a mutually respectful relationship between various district entities.

So what does one do?

First, start with yourself. "Everyone thinks of changing the world, but no one thinks of changing themselves." – Leo Tolstoy.

My thinking is framed in part by my recent reading of Robin Diangelo's *White Fragility* and Ibram Kendi's *How to be an Anti-Racist*. Both authors urge one to begin with the recognition that we are all racist. That we are all framed by our own experiences, points of reference, unconscious biases, our culture, race, ethnicity and power.

First recognize that a binary racist/non-racist does not exist. We are ALL racist, we can only strive to be one or the other. We (a collective we – the district members) are all guilty of micro-aggressions, and we have all consciously or unconsciously made statements that are insensitive to "others". NOCCCD as an institution, has embedded views and perspectives that systemically has created success gaps among our students as identified in the EFMP. It is ALL of our responsibility to take action.

We need to take action. Lack of action implies complacency with the status quo.

Here are my suggestions, if other members of the board concur, these should be agendized at future meetings:

- 1. Engage in courageous conversations with empathy. Understand that each of us is at a different level of understanding and acceptance of racial inequalities. I commend the District's participation in the Community College Equity Leadership Alliance, the Black Faulty and Staff Association's Task Force and the Black Mind's Matter webinar series by CSUSD. I would encourage each of my fellow trustees to participate in one or more of these activities as appropriate and that all district members engage in professional development around diversity, equity, inclusion and anti-racism. A Board study session should be held on diversity, equity, inclusion, and anti-racism.
- 2. The Board collectively with the District members **create a** "**Framework for Racial Equity and Social Justice**" that builds on existing efforts outlined in the college equity plans, the EFMP and mirrors efforts outlined by the CCC Chancellor's Office, LACCD and outlined by Regina Stanback Stroud, Chancellor of Peralta District.
- 3. That all Board members review BP 2715. While a formal complaint has been filed against Trustee Bent, the Board evaluation and reflection on BP 2715 reveals violations of this policy by other board members.
- 4. A Board ad hoc committee should be formed to respond to the allegations received July 20, 2020. I assert that the Board has purview to determine the legitimacy of any and all claims brought to it. I also assert that the simple consideration of censor of a fellow trustee is unprecedented, and extraordinarily rare. Since the complaint has been filed against the President of the Board, as the Board's Vice-President I suggest the ad hoc committee be composed of myself and Trustees Lopez and Brown, per guideline BP 2715, 3.0. "This committee shall within a reasonable period of time, make a report of its finding to the Board for action." "The trustee(s) subject to the charge of misconduct shall not be precluded from presenting information to the committee." The formation of the ad hoc committee is investigatory in nature and should not be construed as admission of guilt nor innocence.

Additional recommendations from the sub-committee on Board Evaluation are listed in agenda item 6.d."

[Emphasis added to highlight the recommendations.]

Trustees thanked Trustee Dunsheath for her reflective statement and discussed whether the formation of an ad hoc committee required formal action by the Board. Trustees were divided on whether the formation of the ad hoc committee to respond to the formal complaint could be formed immediately versus the need to agendized it for a future meeting. It was ultimately agreed that the item would be agendized for the next Board meeting.

Trustee Jacqueline Rodarte expressed support for Trustee Barbara Dunsheath's recommendations, and noted that they referenced two separate policy violations by trustees and requested that both items be addressed.

Trustee Ed Lopez also expressed his support for Trustee Barbara Dunsheath's suggestions and recommended a Board retreat or workshop to further discuss the Board evaluation like what last occurred in 2017. Ideally, the session would be devoted to looking at the assessment results with action items identified, and open to the public.

Craig Goralski, Cypress College Academic Senate President, stated that the Board Subcommittee's responses to comments appear to be dismissive and that respondents are not being heard or respected. He noted that the same comments are resurfacing from previous years and that the Board's response is not effective.

Item 6.e: The Board received and reviewed Resolution No. 20/21-02, Celebrating the 100th Anniversary of the Passage and Ratification of the 19th Amendment, Providing for Women's Suffrage, to the Constitution of the United States.

During the discussion, Trustee Barbara Dunsheath stated that she requested a first reading so that it could be widely discussed and expressed hope that the academic senates would share it with their constituencies in order to get the support of the District behind it.

No comments or suggestions were recommended and the resolution will return to the next Board meeting for approval.

Item 6.f: Board President Ryan Bent asked if there were any requests for potential future Board agenda items. Trustee Ed Lopez requested an agenda item at the next meeting in order to create an ad hoc committee to address the formal complaint received by the Board regarding trustee misconduct. During the discussion, trustees discussed whether the agenda item should also include the complaint referenced during the discussion of Item 6.d regarding the Board Assessment Subcommittee findings. Chancellor Marshall recommended having two different agenda items in order to avoid any potential violations.

Trustee Barbara Dunsheath recommended that the Board consider a resolution in support of Proposition 15, the Schools and Communities First Initiative which is supported by the California Community College Trustees (CCCT) Board.

Trustee Ed Lopez also recommended that the Board hold a session to discuss the Board assessment findings.

CLOSED SESSION: At 8:28 p.m., Board President Ryan Bent adjourned the meeting to closed session per the following sections of the Government Code and stated that there would not be a readout:

Per Section 54957.6: CONFERENCE WITH LABOR NEGOTIATOR IRMA RAMOS, VICE CHANCELLOR, HUMAN RESOURCES; Employee Organizations: United Faculty/CCA/CTA/NEA, Adjunct Faculty United Local 6106, CSEA Chapter #167, and Unrepresented Employees.

Per Section 54957: PUBLIC EMPLOYEE DISCIPLINE/DISMISSAL/RELEASE

Per Section 54956.9(a): CONFERENCE WITH LEGAL COUNSEL: ANTICIPATED LITIGATION: One (1) Potential Case.

Per Section 54957.5: PUBLIC EMPLOYEE PERFORMANCE EVALUATION: CHANCELLOR

RECONVENE MEETING: At 9:46 p.m., Board President Ryan Bent reconvened the meeting in open session.

ADJOURNMENT: At 9:46 p.m., it was moved by Trustee Stephen T. Blount and seconded by Trustee Jacqueline Rodarte to adjourn the meeting. **Motion carried with Trustees Bent**, **Blount, Brown, Dunsheath, Lopez, and Rodarte voting yes.**
