

**Additional Information**  
May 10, 2022 Board Meeting

The following additional information was provided regarding the May 10 Board meeting agenda:

**Item 3.a, Purchase Order Listing:**

1. P0150473: The membership title was cutoff. May you tell me the name of the entity. **The name of the entity is Bioindustrial Manufacturing and BioMade and is for the Fullerton College Biology/Natural Science Division.**
2. P0150509: Who was the speaker for this event? I believe we're seeing the entity that coordinates this. **Ebone Bell was the closing keynote speaker for the Fullerton College Hornet Social Justice Week and works with the Campus Speaks Agency. She gave the closing keynote address for the week-long events on Friday, April 1 on Zoom. The Fullerton College website references Hornet Social Justice Week activities at: <https://studentlife.fullcoll.edu/calendar-of-events/hornet-social-justice-week-2022/>**
3. P0150669: What type of consulting are they providing? **Gensler will implement the Education Engagement Index (EEI), an online, anonymous survey for students, faculty, and staff.**

**Item 3.d, 2021-22 General Budget Transfers:**

1. Transfer 5: Which courses are offered in Room 529? **As a pilot in Fall 2022, Paralegal 105 Introduction to Legal Writing is the only course offered in Room 529. The course is scheduled as an in-person course, with the remote technology available for any student that may need to miss class, possibly due to an illness such as COVID. Fullerton College is using this pilot section to explore the possibility of expanding this instructional technology in the future.**

**Item 3.g, Renewal Pool of Division of the State Architect Inspector Firms:**

1. There's a minor typo on the word "July." **Thank you for catching that and our apologies for the oversight.**
