

Additional Information
September 26, 2023 Board Meeting

The following additional information was provided regarding the September 26 Board meeting agenda:

Item 3.b, Consultant Agreement with SVA Architects for the Swing Space Interim Housing Project at the Anaheim Campus:

1. Is this cost going to be charged back to Mobile Modular since it was caused by their actions? **Yes. Since the building number changes were caused by the manufacturer, the District is pursuing a credit change order to Mobile Modular in the amount of the architectural consultant design fees.**

Item 3.f, North Orange County Regional Consortium for the California Adult Education Program Proposal:

1. What type of marketing and outreach will be done? **North Orange County ROP included marketing materials (fliers, swag, contact/business cards, table cover, banners, etc.) and social media advertising as the marketing activities in their request for CAEP funding as one of the North Orange County Regional Consortium for Adult Education (NOCRC) members.**

Item 4.c, Professional Experts:

1. Page 4.c.7: What does a Life Program Leader do? Or what program is this position for? **The LIFE Program provides services to the formerly incarcerated and system-impacted student population. The LIFE Program Leader supports formerly incarcerated students in a variety of ways – developing and implementing workshops on campus and in youth detention facilities, acting as ally trainers for the campus, supporting outreach programs and events, and working with guest speakers for the LIFE/Rising Scholars Program. These positions are funded through the Rising Scholars grants the College has received.**
2. Page 4.c.7: What does “CCTAP” stand for? **The California Community College Chancellor's Office (CCCCO) awarded NOCE a \$1.8 million grant as the Community College Technical Assistance Provider (CCTAP) to enhance the technical assistance capacity currently provided for noncredit community colleges and the California Adult Education Program (CAEP) consortia. CC TAP will support and promote CAEP efforts to:**
 - **Increase student outcomes for CAEP noncredit students,**
 - **Support career mobility for adult learners, and**
 - **Provide equitable training and technical assistance services for the CAEP community.**
